Re: Approval of Time Extension Request for Updated Surety, Georgia-Pacific Corporation, Eagle Canyon Quarry, M/015/050, Emery County, Utah

Dear Mr. Harms:

On June 9, 2003, we received your June 2, 2003, letter wherein you request an extension of time until June 20, 2003, to submit a final surety document, a reclamation contract, and a completed Notice of Intention to Revise Large Mining Operations. Rather than submitting an interim surety, you intend to increase the surety both to bond for reclamation of the increased disturbance and to cover escalated costs of reclaiming the site.

We recognize that you have had some difficulties in arranging for the increased surety but believe you have been actively working to fulfill the requirements of the Notice of Noncompliance. Therefore, your extension request is hereby approved.

Thank you for your cooperation. Please call me at 801-538-5286, or Paul Baker at 801-538-5261 if you have any questions about this letter, or the Notice of Noncompliance.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
